## Original Information:

Original 1. Original Type:  Slide  Transparency  Negative  B&W Negative  Print  
 Original Size:  35mm  4x5  Medium Format  Other: \_\_\_\_\_  
 Scan To: \_\_\_\_\_ x \_\_\_\_\_ Resolution: \_\_\_\_\_ ppi

\* We at AutumnColor recommend you scan to the largest size appropriate for your film format, although only small prints are required immediately. This leaves flexibility to make larger prints at any time in the future without the need or additional cost to rescan and color correct.\*

Film Size	Largest Scan Size	Largest Print Size From Scan
35mm	100mb	40 x 26.623
2.25 x 2.25	150mb	32 x 32
6 x 7	180mb	40 x 34.29
4 x 5	250mb	50 x 40

Please note that these are recommend sizes at AutumnColor, recommend for the best qauality print or file based on film size. Image quality must be taken into consideration for final output sizes and image sizes larger then recommend sizes.
